Welcome to Indian Gourmet

There is no cooking like home-cooking and this is especially true of India, despite the spectacular spread of the cuisine around the world. The food cooked in the traditional home of India is still reckoned to be the best.

Moreover, given the size of India and its millions of traditional homes, the unity in the diversity of the Indian food is remarkable.

Our food is truly inspired by the Home-Style cooking from foothills of the Himalayas to the warm sea of the coast of Indian ocean, from the Arabian sea to the Bay of Bengal.

At **Indian Gourmet, you can make a great start of the gastronomic tour of India without leaving a table.**

Along the journey, we endeavour let your taste buds be tantalised with street food, traditional home cooking and regional culinary delicacies.
